ORDER

STEWART D. AARON, UNITED STATES MAGISTRATE JUDGE:

In accordance with the July 21, 2020 Case Management Plan (ECF No. 31), the parties were to file a joint letter regarding the status of discovery on September 15, 2020. On that date, the parties instead filed a notice of Voluntary Dismissal, pursuant to Federal Rule of Civil Procedure 41(a)(1)(A)(i). (See ECF No. 32.) However, the following day, the Clerk's Office notified the parties that the filing was deficient and directed them re-file the document as a Stipulation of Dismissal. (See 9/16/2020 Docket Entry.)

It is hereby Ordered that, no later than Friday, October 2, 2020, the parties shall file either (a) a joint letter regarding the status of this action, or (b) a Stipulation of Dismissal correcting the deficiencies identified by the Clerk of Court.

SO ORDERED.
